Virtual Training: Reporting Spirometry Update

By Jo Hamilton

Tuesday 7 February 2023, 14:00hrs – 16:00hrs

[Please click here to book](#)

This session is for Health Care Professionals who are currently doing spirometry, or restarting spirometry services in Primary Care or Community Services

It will include an overview on:

- ARTP certification
- What do all the numbers mean
- Which guidelines do we use to do a Spirometry report
 - Bronchodilator response
 - Doing a Report – practical examples
 - MCQs

Spaces are limited, please ensure you book.
